

Frankincense Serrata Oil – Certified Organic

Revision Date: 14<sup>th</sup> March 2013

#### SECTION 1 - IDENTIFICATION OF THE MATERIAL AND SUPPLIER

| 1.1 Product Name:               | Frankincense Serrata Oil – Certified Organic |
|---------------------------------|--|
| 1.2 Botanical Name:             | Boswellia serrata                            |
| 1.3 Product Code:               | OCFRANSERR                                   |
| 1.4 AUSTRALIAN AICS Name:       | Oils, cinnamon                               |
| 1.5 USA INCI Name:              | Boswellia Serrata Oil                        |
| 1.6 EU [CosIng] INCI Name:      | Boswellia Serrata Oil                        |
| 1.7 UN Proper Shipping Name:    | Not applicable                               |
| 1.8 UN Technical Shipping Name: | Not applicable                               |
| 1.9 UN Number:                  | Not applicable                               |
| 1.10 AUSTRALIAN Schedule Name:  | Not Scheduled                                |
| 1.11 Recommended Product Use:   | Cosmetic and aromatherapy ingredient.        |

Function: Fragrance Ingredient; Skin Conditioning Agent - Miscellaneous. Categories: Fragrance preparations, miscellaneous; Skin Care Preparations, Misc.

| 1.12 Company:                              | Saffire Blue Inc.                                  |
|--|--|
| 1.13 Address:                              | 1444 Bell Mill Road, Tillsonburg, ON N4G4G9 Canada |
| 1.14 Telephone Number:<br>1.15 Fax Number: | Tel: 519-286-0295                                  |
| 1.16 Email:                                | info@saffireblue.ca                                |

#### SECTION 2 – HAZARDS IDENTIFICATION

# Hazardous according to criteria of NOHSC Not a Dangerous Good according to the Australian Dangerous Goods (ADG) Code Class: C1 Combustible Liquid NOT A SUSMP Scheduled Poison 2.1 Risk Symbols: Xn Harmful. Xi Irritant.

| 2.2 Risk Phrases:   | R22  | Harmful if swallowed.   |
|---------------------|------|---|
|                     | R36  | Irritating to eyes.   |
|                     | R37  | Irritating to respiratory system  |
|                     | R38  | Irritating to skin.   |
| 2.3 Safety Phrases: | [S2] | [Keep out of the reach of children].  |
|                     | S3   | Keep in a cool place.   |
|                     | S7   | Keep container tightly closed.  |
|                     | S13  | Keep away from food, drink and animal feeding stuffs.                             |
|                     | S15  | Keep away from heat.  |
|                     | S20  | When using, do not eat or drink.  |
|                     | S23  | Do not breathe vapour/mist/aerosol.   |
|                     | S24  | Avoid contact with skin.  |
|                     | S25  | Avoid contact with eyes.  |
|                     | S26  | In case of contact with eyes, rinse immediately with plenty of water and seek     |
|                     |      | medical advice.   |
|                     | S28  | After contact with skin, wash immediately with plenty of soap and water.          |
|                     | S29  | Do not empty into drains.   |
|                     | S36  | Wear suitable protective clothing.  |
|                     | S37  | Wear suitable gloves.   |
|                     | S39  | Wear eye / face protection.   |
|                     | S45  | In case of accident or if you feel unwell, seek medical advice immediately [show  |
|                     |      | the label where possible].  |
|                     | S51  | Use only in well-ventilated areas.  |
|                     | S60  | This material and its container must be disposed of as hazardous waste.           |
|                     | S62  | If swallowed, do not induce vomiting: seek medical advice immediately and         |
|                     |      | show this container or label.   |
|                     | S63  | In case of accident by inhalation: remove casualty to fresh air and keep at rest. |
|                     | S64  | If swallowed, rinse mouth with water, [only if the person is conscious].          |
| 2.4 Other:          |      | None identified.  |

#### SECTION 3 – COMPOSITION / INFORMATION ON INGREDIENTS

3.1 Ingredients:

| Component Entity                        | CAS Number                                | EINECS Number | Proportions [%w/w] |
|---|---|---------------|--------------------|
| Certified Organic Boswellia Serrata Oil | 97952-72-2 [TSCA; EU]<br>8016-36-2 [AICS] | 308-366-6     | 100% pure          |

**Revision Date:** 

| <b>SECTION 4 - FIRST AID MEASUR</b> | ES  |
|-------------------------------------|---|
| 4.1 Eye Contact:                    | Flush immediately with clean water for at least 15 minutes. Ensure irrigation                                     |
|                                     | under eyelids. Do not try to remove contact lenses unless trained.  |
|                                     | Contact a physician immediately.  |
|                                     | Remove any contaminated clothing and footwear. Clean before re-use.   |
|                                     | Wash affected areas thoroughly with soap and water for at least 15 minutes.                                       |
|                                     | Contact a physician as necessary.   |
|                                     | Remove from the exposure to fresh air. If breathing has stopped, administer                                       |
|                                     | artificial respiration and oxygen if available.<br>Contact a physician as necessary.                              |
|                                     | Do Not induce vomiting.   |
|                                     | Wash out mouth with water and give water slowly to dilute [as much as casualty                                    |
|                                     | can comfortably drink] provided person is conscious.  |
|                                     | Never give liquid to a person showing signs of being sleepy or with reduced                                       |
|                                     | awareness; i.e. becoming unconsciousness.   |
|                                     | Contact a physician or local poison control centre immediately.   |
|                                     | If vomiting occurs, lean patient forward or place on left side [head-down position,                               |
|                                     | if possible] to maintain open airway and prevent aspiration.  |
|                                     | Contact a Poisons Information Centre [Phone eg Australia 131126; New Zealand                                      |
|                                     | 0800 764 766] or a doctor at once.  |
|                                     | Treat symptomatically. Note the nature of this product.   |
| SECTION 5 – FIRE FIGHTING ME        | ASURES  |
| 5.1 Extinguishing Media:            | Carbon Dioxide; Dry Chemical; Universal-Type Foam.  |
| 5.2 Unsuitable Extinguishing Media: | Water Spray; Others not established.  |
| 5.3 Unusual Firefighting Hazards:   |   |
| 5.4 Special Procedures:             | Determine the need to evacuate or isolate the area according to your local  |
|                                     | emergency plan.   |
| 5.5 Protective Equipment:           | Self-contained breathing apparatus and protective clothing should be worn   |
| 5.6 Combustion Products:            | when fighting fires involving essential oils or chemicals.<br>Oxides of carbon.                                   |
| 5.7 Contact Point:                  | Dial 000 Emergency in case of fire [In Australia]   |
| 5.7 Contact i Onit.                 | or Local Emergency Authority [Out of Australia].  |
| SECTION 6 – ACCIDENTAL RELE         |   |
|                                     |   |
| 6.1 Personal Precautions:           | Use of self-contained breathing apparatus is recommended for any major  |
| 6.2 Safety Precautions:             | chemical spill. Refer also to section 8.<br>Eliminate ALL ignition sources. Ventilate area. Determine the need to |
| 6.2 Salety Frecautions.             | evacuate or isolate the area according to your local emergency plan;  |
| 6.3 Environmental Precautions:      | Keep away from drains, surface and ground water.  |
|                                     | Report spills to appropriate Authorities if required.   |
| 6.4 Methods For Cleaning Up:        | Contain spill and recover free product. Absorb remainder on vermiculite or  |
|                                     | other suitable absorbent material. Wipe small spills with cloth. Clean with hot                                   |
|                                     | water and detergent. Refer also to Section 13. for disposal procedures.   |

| SECTION 7 - HANDLING AND STOP                                  | RAGE  |  |
|--|---|--|
| 7.1 Handling:  | Avoid inhalation and contact with skin and eyes. Good personal hygiene practices should be used. Wash after any contact, before breaks and meals, |  |
|  | and at the end of the work period. Contaminated clothing and shoes should   |  |
|  | be cleaned before re-use. No smoking.   |  |
| 7.2 Storage:   | Containers should be kept closed in order to minimise contamination.  |  |
| -  | Store in a cool, dry, well ventilated place protected from light.   |  |
|  | Keep from extreme heat and away from ALL sources of ignition.   |  |
|  | Make sure the material does not come into contact with substances listed as:  |  |
|  | "Materials to Avoid", Refer to Section 10.  |  |
|  | Store in stainless steel drums or amber glass containers.   |  |
| 7.2 Unovitable Deckering Meteriole                             | For short term storage only: epoxy phenolic lined steel drums.  |  |
| 7.3 Unsuitable Packaging Materials:<br>7.4 Special Procedures: | None established.<br>None established.  |  |
| -  |   |  |
| SECTION 8 – EXPOSURE CONTRO                                    |   |  |
| 8.1 Exposure Limits  | There is a blanket recommendation of 10 mg/m <sup>3</sup> for inspirable dusts or mists   |  |
|  | when limits have not otherwise been established.  |  |
| OSHA TWA:  | None established.   |  |
| OSHA STEL:   | None established.   |  |
| ACGIH TWA:   | None established.   |  |
| ACGIH STEL:  | None established.   |  |
| NOHSC TWA:   | None established.   |  |
| NOHSC STEL:  | None established.   |  |
| 8.2 Respiratory Protection:                                    | None generally required. Use NIOSH approved respirator in confined areas or if ventilation is inadequate.   |  |
| 8.3 Ventilation Protection:                                    | Ensure adequate ventilation to keep exposure levels to a minimum.   |  |
|  | Local exhaust meeting ACGIH criteria is required.   |  |
| 0.4 Eve Dratastian   | General exhaust is recommended.   |  |
| 8.4 Eye Protection:<br>8.5 Protective Gloves:                  | Using goggles or face shield is recommended.<br>Using chemical resistant gloves is recommended.   |  |
| 8.6 Protective Clothing:                                       | Using chemical resistant gloves is recommended.   |  |
| 8.7 Protective Equipment:                                      | An eyewash fountain and / or safety shower should be available in the work  |  |
|  | area.   |  |
| 8.8 Special Engineering Controls:                              | None established.   |  |
| 8.9 Other Personal Protection:                                 | Consult the following Australian Standards for general advice regarding safety  |  |
|  | clothing and equipment: Respiratory Equipment: AS/NZS 1715,   |  |
|  | Protective Gloves: AS 2161, Industrial Clothing: AS 2919,   |  |
|  | Industrial Eye Protection: AS 1336 and AS/NZS 1337,   |  |
|  | Occupational Protective Footwear: AS/NZS 2210.  |  |
| 8.10 Note:   | These precautions are for room temperature handling. Use at elevated  |  |
|  | temperature or aerosol / spray applications may require additional  |  |
|  | precautions.  |  |

### **16. ADDITIONAL INFORMATION**

16.1 Revision Date: 14<sup>th</sup> March 2013

#### **16.2 DISCLAIMER**

The information contained in this Material Safety Data Sheet is obtained from current and reliable sources. Saffire Blue Inc. provides the information contained herein in good faith but makes no representation as to its comprehensiveness or accuracy. This Material Safety Data Sheet summarises our best current knowledge of the health and safety hazard information of the product. This document is thus, intended only as a guide to the appropriate precautionary handling of the material by properly trained personnel using this product. Individuals receiving this information must exercise their independent judgment in determining its appropriateness for a particular purpose. As the ordinary or otherwise use(s) of this product is outside the control of Saffire Blue Inc., no representation or warranty, expressed or implied, is made as to the effect(s) of such use(s), (including damage or injury), or the results obtained. Saffire Blue Inc. expressly disclaims responsibility as to the ordinary or otherwise use(s). Furthermore, nothing contained herein should be considered as a recommendation by Saffire Blue Inc. as to the fitness for any use. The liability of Saffire Blue Inc. is limited to the value of the goods and does not include any consequential loss. Saffire Blue Inc. shall not be liable for any errors or delays in the content, or for any actions taken in reliance thereon. Saffire Blue Inc. shall not be responsible for any damages resulting from use of or reliance upon this information. The user of the product is solely responsible for compliance with all laws and regulations applying to the use of the products, including intellectual property rights of third parties.

#### **16.3 MANUFACTURED PRODUCTS INGREDIENT DISCLAIMER**

As the availability of ingredients and raw materials is not always certain whether due to changes in nature or otherwise, Saffire Blue Inc. reserves the right to substitute alternate ingredients/raw materials in the manufacture of its products and bases in order to maintain supply to its customers. Customers should always refer to the ingredients label as affixed to each product or to specification sheets which are current at the time of supply of the product.
